Short title

READ—the following :—

Copy of letter No.5119, dated 14th June 1925 from V.R.[illegible] Keshava Rao Avl., B.A., B.E., Executive Engineer, Bellary Division, to the Superintending Engineer, Madras Circle.

Reference: Para 3 of the 4th ref. to A.N.for 10/1924, re: the occupation of Revenue quarters, Sirugüppa by the P.W.D.peon.

One of the quarters in Block No.4 of the Revenue quarters at Siruguppa assigned to the P.W.D.Overseer's peon, was occupied by him from 26th May 1924 and he was being assessed concessional rate of rent of 12 annas per mensem as in the case of peons of other departments for whom this rate was sanctioned in G.O. No.693 Rev., dated 7-5-24.

But the concessional rate of 12 annas to the P.W.D.Overseer's peon was only in G.O.No.249 W, Mis., dated 17-2-25.

The Accountant-General in para 3 of his 4th Rejoinder to the A.N.for /24 states that the concessional rate in the case of the peon, takes effect only from the date of the latter G.O.viz., 17-2-25 and that it cannot be applied for the period of his occupation prior to that date.

I now therefore request that you will be so good as to obtain sanction o Government for the concessional rate of 12 annas with retrospective effect from 26-5-24 the date of his occupation. It is needless to mention, that this special rate sanctioned for other peons was mainly due to the unhealthiness of the locality and the same condition holds good in the case of the D.P.W.peon as well.

Endorsement thereon by the Superintending Engineer, Madras Circle, No.1157 dated 20th June 1925:--

Copy forwarded to the Chief Engineer. P.W.D. for favour of sanction.

2. The Col[illegible]or of the District fixed the rent for the peons' quarters in general at twelve annas a month and this was approved of in G.O.No.693 Rev dated 7-5-24. As there were nobody to occupy these menials' quarters, the P.W.D. was permitted by the Executive Engineer, Bellary, to occupy one of them since 26th May 1924 on the same rent as that already sanctioned. His action was

approved by the Superintending Engineer in his No.1314 By., dated 12th December 1924.

3. The Accountant-General now requires the sanction of Government to give effect to the present G.O.No.249/W.Mis., dated 17th February 1925 retrospective from 26th May 1924 and it may therefore be sanctioned.

Endorsement.

Submitted to Government.

2. The Chief Engineer recommends that the concessional rate of rent may be given retrospective effect from 26th May 1924.
